### Student Health Insurance Plan (SHIP)

#### Graduate Assistants (GAs) – Domestic and International

To improve the student quality of life, increase competitiveness of its graduate programs, support its undergraduate teaching mission, and enhance its mission to produce top-tier scholarship, LSU has partnered with UnitedHealthcare to provide an affordable health insurance plan for GAs (see table below) in which LSU will cover 75% of the total premium cost. The health insurance plan is a student plan and does not provide any coverage for family members, and any options to enroll family members will have to be discussed outside of the LSU student health insurance plan.

All Fall 2025 GAs (domestic and international) who meet the eligibility criteria listed below, will automatically be enrolled and assessed the premium (by term) for the student health insurance plan. The GA will also receive a credit on their student account for 75% of the premium that will be covered by LSU. The GA will be responsible for the remaining 25%. The amounts will appear on the student's fee bill for that term.

Premiums	Dates of Coverage	Waiver Deadline	LSU Portion	Student Portion	Total
Fall	08/14/2025 – 01/05/2026	9/12/2025	\$ 893.25	\$ 297.75	\$ 1,191.00

Spring Only	01/06/2026 – 05/21/2026	1/30/2026	\$ 837.75	\$ 279.25	\$ 1,117.00
Summer Only	05/22/2026 – 08/13/2026	5/29/2026	\$ 517.50	\$ 172.50	\$ 690.00

### **Option to waive the LSU insurance plan:**

- Students who have an alternate health insurance policy and do not wish to enroll in the LSU student health insurance plan, **must** request a waiver by submitting their insurance information using the following link: [www.gallagherstudent.com/lsu-batonrouge](http://www.gallagherstudent.com/lsu-batonrouge).
- Waiver requests will be reviewed and must be submitted by **September 12, 2025**, for Fall, **January 30, 2026**, for Spring/Summer and **May 29, 2026**, for Summer.
- Waiver requests must be submitted each term (Fall, Spring & Summer).

- If a waiver is not filed by 09/12/2025 for Fall 2025, or for the appropriate deadline for Spring/Summer or Summer the GA will remain enrolled in the student health insurance plan and will be responsible for 25% of the premium. **A waiver will not be considered after the determined date.**
- The student health insurance plan is non-refundable and cannot be prorated or end early.
