## LSU Kids' Day at the Museum Application

**Saturday, February 21, 2026**

**10:30 a.m. - 2:45 p.m.**

LSU Museum of Natural Science, Murphy J. Foster Hall  
and

LSU Student Union, Capital Chamber Room 329  
Baton Rouge, LA 70803

**WANTED: Thinkers, explorers, and hidden gem-seekers—for an educational journey that can take you anywhere!**

The LSU Museum of Natural Science and the College of Science invite kids in grades 4 through 6 with an interest in science to apply for Kids' Day at the Museum 2026. This activity includes a fun-filled day exploring the museum collections, chatting with scientists at LSU, and participating in

exciting hands-on science activities.

Who's eligible to participate? Kids in 4th through 6th grade with an interest in science.

**Application Deadline: Friday, January 30, 2026**

How do I apply? Complete the 2026 Kids' Day at the Museum application form below. The application requires an essay written by the student, a participant authorization form, and a photography and social media release form. Parents, please do not write the essay for your student; their application will not be prioritized.

What is your child interested in doing? Choose their top three!

Helping people live their healthiest lives inspires me. I want to improve the health of others.

Our earth is precious. I want to preserve and nourish our environment.

I love outdoor adventures. I want to work outside and explore uncharted territories.

Numbers are my jam! I want to work with numbers.

Solving problems and uncovering scientific mysteries fuel my soul.

How do I want to make the world a better place? One student at a time. I want to educate future generations.

---

Please list some of your child's previous science experiences (for example: participated in a science fair, took a tour of a laboratory, visited a science museum, participated in a science activity. If none, write none.)

## Essay

---

**ESSAY QUESTION:** Scientists answer important questions. These questions affect the way we take care of our health, create new technologies, and better understand our universe. In your essay, please explain 1) what important question would you like to answer as a scientist or mathematician, 2) why this question is important, and 3) describe how you would use science and/or math to answer your question.

Note: It is intended that the child complete this essay. We will prize the student voice when scoring the essay.
